Creativity is Serious Business.

Build Your Foundation ... Build Your Future

## Help for Educators is Here!

**Creativity drives change. Creativity is a people process. Creativity is challenging. Creativity drives the economy. Creativity is a necessity.**

Educators that are weak with this skill set will have a difficult time preparing students for rewarding 21st Century careers. You can learn to be more creative. This is where Lynda's help comes in handy. She'll equip you with proven and practical tools and processes that'll power-up your creativity.

Lynda's been working with wildly diverse clients in business, government, and education for over 20 years. For fun, she's currently working on shooting her third hole-in-one.

### What People Have Said...

*"Lynda, we had such a good de Bono Creativity Power Session with you, I wanted to say thank you very much. A testament to how well it went is a request by one of my colleagues to bring you back to do another session with our entire group. We were wondering when you could come back and do another session."*

*—CDR Keith H. Gordon, Technology Fellow, US Navy War College*

*"I have had the pleasure of collaborating with Lynda on a wide variety of creativity and innovation projects. Lynda's middle name should be MAKE IT HAPPEN. She has a special knack for turning ideas into action."*

*—Natalie Jenkins, Innovation Consultant, Indigo Business Services Ltd.*

*"Executive Deep Diving with Lynda gave me new goals for "doing my personal best". She taught me a whole surgical kit of techniques for creatively solving problems. Whatever you thought your limits were, Lynda will show you how to move beyond them."*

*—Fran Kellogg Smith, Fellow, American Society of Interior Designers*
